

Service and Support Foundation

The perfect introduction to Videojet uptime peace of mind, helping ensure your new equipment is optimized for your application and your staff is trained to utilize it fully

The Videojet Foundation service package is designed to reduce your operator learning curve by letting Videojet Service experts handle the maintenance of your new printer while training your team to help keep it running seamlessly, day after day.

Available on a new Videojet printer or laser in the first two years of ownership, Foundation is designed to give you the assurance that you are getting the most out of your new Videojet equipment with the support of the industry's largest service team.

Key benefits of Foundation

Choose cost-effective Foundation for the expert support your operators and new equipment need.

- ✓ **Proactive approach** helps maximize uptime, optimize print quality, and improve fluid efficiency with preventive maintenance coverage
- ✓ **Enjoy continuity** in operator proficiency with initial and repeat operator training
- ✓ **Get full coverage** of labor and technician travel during normal business hours

Our Vision: Preserving the safety, quality, and authenticity of daily essentials for billions

At Videojet Technologies, we believe that every product tells a story—a story of quality, care, and trust. As a global leader in product identification, we proudly partner with manufacturers in over 20 industries, from food, beverage, cosmetics, and personal care to pharmaceuticals, tobacco, packaging, aerospace, and beyond, helping them to identify products, enhance operations, and improve productivity. We work tirelessly with customers, OEMs, and channel partners, to protect the safety and integrity of daily essentials relied on by billions of people every day.

The Videojet core pillars of **expertise, adaptability, usability, and consistency** are values that drive us forward, inspiring us to deliver high-performance, reliable solutions that meet the unique needs of every manufacturer we support. With an unwavering commitment to excellence, we offer a comprehensive suite of **marking and coding equipment, high-quality supplies, dedicated Videojet-trained on-site service technicians, and advanced software solutions** to bring peace of mind and pride to our customers.

Our technology portfolio spans **Continuous Inkjet (CIJ), Thermal Inkjet (TIJ), Laser Marking Systems, Large Character Marking (LCM), Thermal Transfer Overprinting (TTO), Print and Apply Labeling (LPA), Pallet Labeling, and wide-array printing solutions**—all crafted to deliver adaptability, precision, and cutting-edge innovation that makes a difference.

With over 400,000 printers marking ten billion products daily, our solutions touch lives across the globe. Supported by a team of 4,000 associates in 26 countries and a network of 400 distributors and channel partners in 135 countries, we bring expert service and heartfelt dedication wherever companies operate.

As part of Veralto—a global leader in essential technology solutions dedicated to **"Safeguarding the World's Most Vital Resources™"**—we are not just building systems but shaping a future where every brand can deliver trusted products with confidence, enriching lives and fostering connections with consumers worldwide.
